Tuition Relief Angel Program

Give the Gift of a Catholic Education

The Tuition Angel Program at St. Mary's School is a way of connecting benefactors to the ennobling act of providing authentic Catholic education to students-in-need. Each donation is an investment in the Church and in Eternity.

Tuition Angels help to make a Catholic education accessible to many students and to achieve the goal of making St. Mary's School available to all who desire to receive a unique Catholic, Classical education regardless of income.

Currently, 37% of the student body receives some form of tuition assistance. Scholarships are awarded to families based on financial need. In addition to directly affecting the souls entrusted to our care, your gift will help to increase enrollment at SMS and will make a significant impact on our school community and beyond.
